MAGAZINES AND MORE

AA Grapevine is proud to introduce our newest book "**Happy, Joyous and Free**" - The Lighter Side of Sobriety in soft cover.

Getting sober can be painful and amazing, but it also can be pretty darn amusing. This collection of stories from the Grapevine shows how, in recovery, AAs have learned to laugh. It's full of light and humorous stories about our early mistakes, navigating drinking events, funny things sponsors say, interesting Twelve-Step calls, holiday adventures and more. They remind us to not take ourselves so seriously and to always strive to be "happy, joyous and free."
